

IMPORTANT INFORMATION

If you have given a Support Notice for a Strata Renewal Plan and now wish to withdraw that support, you must complete this Withdrawal of Support Notice form.

After you have completed and signed this Withdrawal of Support Notice, you must give it to the Returning Officer to whom you gave the Support Notice.

Once withdrawn, your Support Notice will cease to have effect in relation to your lot from the day the notice of the withdrawal is given to the owners corporation.

You cannot withdraw support for the Strata Renewal Plan if you have been notified by the secretary of the owners corporation that the Required Level of Support has been obtained.

If you need help, NSW Fair Trading has established a range of support services including a free government strata renewal advice service for all owners as well as a free advocacy program to assist vulnerable owners. Further information on these services is available by visiting the NSW Fair Trading website (www.fairtrading.nsw.gov.au) or by calling NSW Fair Trading on 1800 214 023.
