Changes to Historical Land records Viewer

In July 2018 NSW LRS published a corrected version of the Terms and Conditions for use of the Historical Land Records Viewer (HLRV) to align with the Terms and Conditions delegated to NSW LRS through the concession arrangements (which commenced from 1 July 2017).

NSW LRS made changes to the HLRV system and the print and save function was removed from the HLRV to align with the corrected version of the Terms and Conditions.

To obtain a copy of a free record held in the HLRV please email PIDS@nswlrs.com.au.

Land title products can be obtained over the counter at NSW LRS Queens Square office or through an approved Information Broker.

For a list of NSW LRS approved Information Brokers visit www.nswlrs.com.au/land_titles/information_brokers.

NSW LRS regulated fees are based on the following regulations:

- Real Property Regulation 2014
- Conveyancing (General) Regulation 2018
- Strata Schemes Development Regulation 2016

These regulations are published on the NSW Legislation website www.legislation.nsw.gov.au.

Please note this is a temporary arrangement in place. NSW LRS is currently rebuilding the HLRV to improve our customer service and experience. We will keep you updated on timing for the release of the new HLRV.
